[Correspondence number]

Confirmation of Vehicle Manufacturer / Manufacturer's official representative concerning conformity of the vehicle

We [name of the company] as manufacturer [official representative of the manufacturer] hereby confirm that the **vehicle** described hereafter

Make:

Type: Variant: Version:or

Model:

VIN:

Vehicle manufacture date (week):

State registration number (for vehicles already registered in Latvia): *.....

VIN:

and its components confirm to the following type approvals:

Nr.	Items	According to:		Type Approval number/mark**
		ECE	EEC	
1.	Braking equipment with ABS	R-13	71/320/EEC	
2.	Rear underrun protection device	R-58	70/221/EEC	
3.	Lateral underrun protection device	R-73	89/297/EEC	
4.	Hazard warning lamps (signal)	R-6	76/759/EEC	
5.	Installation of lighting devices	R-48	76/756/EEC	
6.	Retroreflective rear marking plates	R-70	-	

and that copy for item 1 attached thereto.

** Type Approval number shall be indicated in the case of system (i.e. brakes) approval. Instead, markings shall be indicated in a case when components are approved and marked.

NOTES: 1) in the last column put "N.A." if an item is not applicable to particular vehicle.

2) if a vehicle meets neither ECE nor EEC approvals, please, attach all the documents that prove technical compliance with ECE / EEC technical requirements.
